

For Parents

This week your child has been exploring the story of Handa's Surprise. He/she has been nurtured in appreciating the events that can happen in a simple story, or in our everyday lives. Each day is our story, the story of what happened to us today. You might like to pray/reflect with your child on what has happened in your day and, where appropriate, give thanks for this day's blessings/fortuitousness.

How many of each kind?
