

## For Parents

This lesson helps the children to become aware of school as a place in which they are cared for. It draws on the story of Harry's first time away from home, staying with his grandparents.

You might like to pray/reflect with your child on their experience of being in school and on school as a safe place in which to grow and learn and make new friends. You might like to extend this prayer and reflection, to the world/God's world as a good place in which to grow and learn.
