

## Junior Infants/Term 2/Lesson 3 – Differentiated

### What we're doing

**Story:** The Snail's Birthday

**Song:** In the Spring

**Poetry:** Give Me Your Name

**Activity:** The Happy Shell

**Conversation:** What makes me happy? / Where we belong; the world is our home

**Worksheet:** Our World

**Quiet Time**

### At school

1. Listen attentively to the stories.
2. Chatting with teacher and class about what makes us feel happy, and the world as our home.
3. Thinking about the global community that we belong to.
4. Singing about the changes we can see in spring time.

### At home

- Talk to your child about all the good things that the earth gives to us; food, shelter, recreation, etc. Discuss how we can look after the earth to ensure this goodness is always there for us.

### Why?

To explore the child's experience of belonging within a global community so that he/she is nurtured in living to the full, in a school and in an Irish context.

We are all part of a global community.

The world is our home, it is where we belong.

When it is quiet time we sit quiet and still....
