Story: This Is Our House

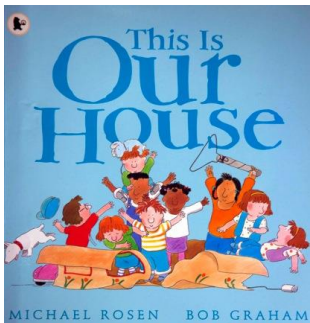

Song: They Care For Me

Activity: The Cutlery Drawer –
Poetry activity

Conversation: Living together;
sharing our world

Worksheet: Our House

Quiet Time

At school

1. Listen attentively to the stories.
2. Chatting with teacher and class about our homes and the people we live with.
3. Thinking about how we can live together and get along with each other.
4. Singing about the people who I live with and who take care of me.

At home

- Talk to your child about the different people who have been received into your home and how you made them feel welcome.
- For parents of a faith tradition, pray/reflect with your child on the importance of welcoming all people.

Why?

To explore the children's experience of living with others so that they may be "at home in the world".

Where appropriate and with the help of the family, to give thanks and praise to God for the world we live in.

A home is a place we share with the people we love. We welcome people into our lives and into our homes.

When it is quiet time we sit quiet and still....
