What we're doing

Story: Bird's Nests / The Pig and the Cat

Song: My House

Watch This: Birds feeding their young

Conversation: Living together; sharing our homes

Worksheet: Types of Houses

Quiet Time

At school

1. Listen attentively to the stories.
2. Chatting with teacher and class about our homes and the people we share them with.
3. Thinking about how we can share our homes with others.
4. Singing about our houses.

At home

- Talk to your child about home as a place where we are loved and where we share with others. Identify the responsibilities that sharing a home may bring.
- For parents of a faith tradition, give thanks and praise to God for the home you live in.

Why?

To explore children's experience of home so that they may be confirmed in their sense of home as a place of love and care.

Where appropriate and with the help of the family, to be nurtured in developing a deeper sense of God as love and as 'home'.

Home is a place where we feel safe and loved. We are happy to have homes to live in.

When it is quiet time we sit quiet and still....
