### What we're doing

**Story:** Butterfly, Butterfly

**Song:** I Love Summer

**Activity:** Butterflies

**Conversation:** What we see in summer

**Worksheet:** The Butterfly

**Quiet Time**

### At school

1. Listen attentively to the stories.
2. Chatting with teacher and class about what we see and do in summer.
3. Thinking about the changes in the world around us during the summer time.
4. Singing about

### At home

- Talk to your child about the presence of summer in the world around them.
- For parents of a faith tradition, give thanks and praise to God for summer and the beauty it bestows on earth.

### Why?

To explore children's experience of summer particularly through summer colour so that they may begin to appreciate the season and its colour and associate them with nature's creative and colourful presence in the seasonal world.

Where appropriate and with the help of the family, to give thanks and praise to God for summer.

Summer brings beautiful colours to the world around us.

When we see these colours we know that summer is here.

When it is quiet time we sit quiet and still....
