

Junior Infants/Term 3/Lesson 3

What we're doing

- **Story:** Mrs. Mc Splutter
- **Song:** Wonderful Water
- **Poem:** Duck's Ditty
- **Activity:** Bubble Painting
- **Watch This:** Bubbles
- **Conversation:** All about water
- **Worksheet:** Water, Water Everywhere!
- **Quiet Time**

Mrs. Mc Splutter!

At school

1. Listen attentively to the stories.
2. Chatting with teacher and class about how we use water.
3. Thinking about the importance of water in our lives.
4. Singing about the wonders of water.

At home

- Talk to your child about how important water is to us in our lives.
- For parents of a faith tradition, pray/reflect with your child on the importance of water from the perspective of the faith/belief tradition from which you come.

Why?

To enhance children's experience of water as a source of life, fun and cleansing so that they may develop respect for water as a vital natural resource.

Where appropriate and with the help of the family, to develop an appreciation of water as a symbol or source of divine life sustenance within their faith tradition.

Ducks love water. Sometimes they are busy paddling in the water and their feet make splashes and ripples. But sometimes they sit on top of the water, they sit quiet and still.

When it is quiet time we sit quiet and still....
