## At school

1. Listen attentively to the stories.
2. Chatting with teacher and class about the seaside.
3. Thinking about the sea and how we use it for enjoyment.
4. Singing about a visit to the seaside.

## At home

- Talk to your child about this week's story "Wave".
- For parents of a faith tradition, pray/reflect with your child about the pleasure we get from the sea and the beauty it offers us.

## Why?

To explore the child's experience of water and to endorse the child's sense of fun, playfulness and adventure so that children may begin to appreciate water more fully as a source of enjoyment and begin to appreciate water more fully as a source of power and beauty in our world

Where appropriate and with the help of the family, to recognise water as a source of divine creativity and playfulness and give thanks and praise for water.

The sea's waves crash against the sand, but further out to sea it is calm and still.

When it is quiet time we sit quiet and still....
