Worksheet: Paper people

Quiet Time

At school

1. Listen attentively to the stories.
2. Chatting with teacher and class about the importance of welcoming others into our community.
3. Thinking about how we all have something to contribute to our communities.
4. Singing about how our friends help us when we need them.

At home

- Talk to your child about the importance of being a good neighbour in their community and how they might achieve this.

Why?

To offer children an opportunity to explore community and living with others, both similar and different so that they may be nurtured in their capacity to 'welcome the stranger'.

We are all part of our local community.

It is important to welcome others into our community.

When it is quiet time we sit quiet and still....
